◎ Surat, Gujarat

🌐 hkcaard.carrd.co/

Aspiring web developer proficient in HTML, CSS, and JavaScript. Currently enrolled in a course, honing skills and working on projects. Eager to expand knowledge and tackle new challenges in the world of web development.

PROJECTS WITH TRAINING

S.B ENGINEERING MANUFACTURING WEBSITE

- I showcased the company's past projects and success stories through engaging case studies and portfolio sections, highlighting their expertise and capabilities in engineering and manufacturing.

E-COMMERCE WEBSITE

- I developed an intuitive shopping cart system that enabled users to add and manage items, calculate shipping costs, and easily proceed through the checkout process. ·
- I integrated advanced search and filtering options, enabling users to find products quickly based on criteria like price, brand, and category
